

INTRACO LIMITED

**Additional Information relating to Full Year Results for the year ended 31
December 2003**

Further to the MASNET announcement no. 67 of 10.02.2004, the Company wishes to give additional information as follows :

1. Although the sales in Commodities business unit improved in 2003, due to the competitive market conditions and margin squeeze, the operating profit for 2003 was S\$1.1 million compared to S\$1.4 million in 2002.
2. The Group expects the business conditions for 2004 to remain competitive for most of its core businesses. The Group will continue its drive to expand in the Asia regions and reduce its reliance on the local market.
