ESTABLISHMENT OF INTRACO INTERNATIONAL MIDDLE EAST

The Board of Directors of Intraco Limited ("Intraco") is pleased to announce the establishment of another regional representative office, Intraco International Middle East.

Intraco International Middle East is located in the Dubai Airport Free Zone Area and its principal activities will be the marketing and promotion of the products and services of the Intraco Group of companies.

The Intraco Group intends to use Intraco International Middle East as an additional platform to cluster Singapore as well as foreign partners and as a springboard for its business in United Arab Emirates and the other Gulf Cooperation Council member nations, North African and the CIS nations.

None of the directors of Intraco have any interest, direct or indirect, in the above.

About Intraco

Intraco was incorporated on 5 November 1968 by the Singapore Government with an initial role to assist in the creation of export markets for locally manufactured products, the promotion of external trade and to source for competitively priced raw materials, commodities and manufactured goods for the domestic market. It was listed on the then Stock Exchange of Singapore in December 1972. Since then, Intraco has expanded its scope of business. Over the last 36 years, Intraco has formed numerous partnerships and alliances all across the globe. The Intraco group comprises more than 20 subsidiaries, associated companies and regional offices which offer a wide range of products and value-added services.

Intraco's regional offices support the Group's businesses in Asia, Greater China, IndoChina and now the GCC, North Africa and the CIS regions.

Today, the Intraco Group serves as a competent and reliable regional partner and business launch pad for companies seeking regional hubs to grow their businesses.
